**THIS IS WAR**

## This Week - 01/21/2010

The members of *Thirty Seconds to Mars* continue to encourage their fans to support the relief efforts in Haiti over their official website, Twitter, and Facebook. This past Monday, Jared joined several other guests on *Larry King Live* for a live telethon that raised more than \$5 Million for the victims.

Jared also brought more attention to the cause by placing the [winning donation bid of \\$1,000 for a pair of Larry's suspenders](#).

*Thirty Seconds to Mars* has put their own auction online in support of these relief efforts. [You can now bid on eBay](#) to purchase **tickets, backstage access, and dinner with the band**. All proceeds will be donated to support the victims of the earthquake in Haiti.

On Wednesday Haiti was hit again by a large (5.9) after-shock. If you are interested in helping right away, simply use your mobile phone to text 'HAITI' to 90999 and send \$10 to the American Red Cross right now!

On a more upbeat note, *Thirty Seconds to Mars* will be featured on the cover of *Alternative Press* for the [March 2010 issue](#). Hits

## Weekly Picks From the Band

### Book of the Week

*[War and Peace](#)* by Leo Tolstoy is a Russian novel and considered one of the world's greatest works of fiction. Epic in scale, War and Peace delineates in graphic detail events leading up to Napoleon's invasion of Russia, and the impact of the Napoleonic era on Tsarist society, as seen through the eyes of five Russian aristocratic families.

### Movie of the Week

*[One Flew Over the Cuckoo's Nest](#)* directed by Miloš Forman and starring Jack Nicholson is a 1975 film adaptation of the 1962 novel One Flew Over the Cuckoo's Nest by Ken Kesey. The movie was the second to win all five major Academy Awards (Best Picture, Actor in Lead Role, Actress in Lead Role, Director, Screenplay.)

## Album of the Week

### *Nine Inch Nails - The Fragile*

A double concept album released in 1999. In contrast to the heavily distorted instruments and gritty industrial sounds of Nine Inch Nails's previous album, *The Downward Spiral*, the album relies more on soundscapes, electronic beats, ambient noise, and rock-laden guitar.
